Total Confirmed Cases In Ontario (On & Off Reserve)**	163

**Ontario Health weekly summary report, which currently cannot provide details by community therefore the 'confirmed cases by community' table above will continue as the daily/weekly roll-up report.

TESTING INFORMATION

Total Tests Jan 15 to July 25	15,808	Recent Tests July 19 to July 25	810

***Retesting of all residents in Wiikwemkoong Nursing Home returned as all negative. Ogimaa Duke Peltier explained in an update that the 1 positive will remain in place according to Public Health guidelines.

STAGE 3 OPENING:

There have been two more areas permitted to enter into Stage 3 as of Friday July 31, 2020.

The following PHUs have been permitted to enter Stage 3:

- Toronto
- Peel

The following PHU is still in Stage 2:

- Windsor-Essex

ACTIVE CASES ACROSS ONTARIO:

There has been a decrease in total new cases however there is more variability in where the active cases are.

There are four new Public Health Units that now have active cases:

- Renfrew
- Northwestern
- Grey Bruce
- Hastings and Prince Edward.

Another three Public Health Units have increased their active cases to more than 10:

- Haldimand-Norfolk
- Lambton
- Southwestern

York has decreased their active cases to less than 100.
