

MEMORANDUM

TO: First Nation Leadership
FROM: Ontario Regional Chief RoseAnne Archibald
DATE: January 28, 2021
RE: COVID-19 VACCINE NEWSLETTER

A second COVID-19 Vaccine Newsletter has been developed. The newsletter includes new updates on the vaccine distribution numbers in Canada and Ontario. More updates have also been included for the COVID-19 Vaccine Distribution Task Force, First Nations Sub-table as well as vaccine Q & A.

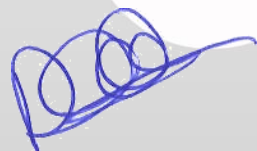

The following updates can be found in January's newsletter:

- **Vaccine distributions in Canada:** total number of vaccines administered nationally to date.
- **Ontario vaccine distributions:** total amount of vaccines administered in Ontario to date.
- **Adverse events from immunization (AEFI):** updates on the side effects and allergic reactions to both vaccines administered in Canada.
- **COVID-19 Variants:** updates on the COVID-19 variants in Canada and how they are being tracked nationwide.
- **COVID-19 Distribution Task Force:** updates on the COVID-19 Distribution Task Force.
- **Sub-table:** updates from the First Nations Sub-table and priority matrix.
- **Updated Q & As:** updates on frequently asked questions regarding COVID-19 and vaccines.

The COVID-19 Vaccine Newsletter is attached to this memo. More information on the vaccines will be shared as it becomes available.
